HOLD HARMLESS AGREEMENT

In consideration of the transaction, the undersigned buyer agrees to release, defend, indemnify and hold harmless, Dirt Cheap Fireworks Inc., including all employees from any liability in any way related to the undersigned's purchase, use, misuse or any misrepresentations related to the purchase of any fireworks from Dirt Cheap Fireworks Inc. We have the right to cancel orders that do not meet our shipping requirements. We also reserve the right to assess additional charges for not complying with the shipping requirements (i.e. shipping to a residential address and not a business address.) **I AGREE THAT THIS IS A WHOLESALE TRANSACTION.** You will be asked for a business license number for this purchase. If one is not supplied you will be charged sales tax of 5.5%.

By signing below to the "I Agree to these Terms" you agree/promise as a condition of this sale that you will abide by the laws in place where you use these fireworks. Failure to do so could result in fines and/or confiscation of products. We will not be held responsible in any way for any injuries or such that may occur while using these fireworks. If your order does not comply with the following rules, we have and will exercise the right to cancel your order. **I also agree that I am above the legal age of 18 years old, and that I will have all necessary permits to possess, store and use these fireworks** (whether it be in your state/county/city that may require such.) No division of Dirt Cheap Fireworks Inc. will be held responsible for fines and/or confiscation of property due to false information given by the buyer, and/or user of the fireworks.

SHIPPING FIREWORKS: Unfortunately, current laws prohibit us from shipping to the following states: **AK, CA, DE, HI, MA, MD, NJ, NV, OR, VT** and **Washington DC. Connecticut** Customers may only order Fountains and Novelties. We can not ship to APO/FPO or PO Boxes. Fireworks must be shipped to an address where a freight shipping truck (semi) will be able to deliver. Shipping cost can range dependant upon where you are located within the US. It is based on weight and also that the fireworks are considered Hazardous Materials, and must be shipped HAZMAT via a freight carrier. You will be assessed a residential fee (usually around \$40 -60) for delivery to a home address (even if you run a business out of your home.) If you do not state this prior to shipping, the fee will be higher than initially. Usually our customers will receive their fireworks in less than a week from the time of payment.

PICKING UP FIREWORKS: We will arrange a date and time for the pick up of your order. All pick up orders must be arranged by appointment only. Dirt Cheap Fireworks Inc. will contact you once an order has been placed. All pick up orders must be paid for prior to setting up an appointment. We will have your fireworks ready to be loaded at time of pickup. Please note, we are not responsible for loading your fireworks.

Orders may be picked up by appointment only at: Dirt Cheap Fireworks
565 County Road T
Hammond, WI 54015

Please inspect your order prior to receiving it. We are not responsible for any lost or stolen items in the process of shipping or picking up your fireworks.
